

PRESSE-MITTEILUNG

NORRES Schlauchtechnik to exhibit at the Nuremberg POWTECH 2011

The **POWTECH** fair is *the* international forum for the latest developments in mechanical processing technologies. As in several previous years, NORRES Schlauchtechnik will attend as an exhibitor to show its comprehensive range of industrial hoses and hose systems for bulk material transport and suction, e.g. of powder and pellets, in **Hall 8 / Stand 6-468**. NORRES will be present on all three exhibition days from **October 11 to 13**.
