

# CONNECT 202

Connectors for connecting or attaching metal hoses

### Properties

- conforms to RoHS guideline

- Bayonet lock 202**: cylindrical bayonet lock, alternatively coupling with a pin or flange with an L-slot, extension at one end for attaching the metal hose
- REACH according to --> Technology / Technical Information / REACH

### Design

- Stainless Steel (INOX)

### Delivery variants

- further diameters available on request

Overpressure and underpressure are recommended threshold operating values, products can be subjected to higher loads upon request. The bending radius is measured through the inside of the hose arch. The right to make technical modifications is reserved. All values determined at 20°C and are approx. data.
